Question about 1993 Acura Vigor. 1 Answer That sounds like a dead battery. The ticking sound is the relay (a type of switch) which enables power to the starter motor when you turn the key. If the battery is weak, the relay will click, but there is not enough power to turn the starter motor. ... Manuals ...

NOTE: Acura states that, "Using automatic transmission fluid or another brand of power steering fluid will damage the system. Use only genuine Honda power steering fluid." Most of the above information was stolen from the Vigor owner's manual. There's a lot of good information in that manual ...
