This sleek and easy-to-operate single-stage snow blower packs a powerful punch. At 18" wide, it's the smallest snow blower in the Ariens® fleet. The Ariens

AX 99cc engine provides consistent and reliable power to remove snow. Our innovative paddle system cleans down to the pavement for a finished look you expect from a shovel.

It is EASY and FREE

Jan 19, 2012 · i have an ariens 522 snow blower with tecumseh mod. hsk850 . Is there an easy way to rmove the carb. from the engine and also the starter without removing all of the bottom

plastics? The machine supposedly ran but would die after a few minutes so I drained the fuel tank and took the bowl off of the machine which had dirt in it.

The 522R Insight

Snowthrower, sold under the brand name Lawn Boy, was manufactured from 1997 through the year 2000 and refers to model numbers 28231 from 1997 and 28230 from 1997 through 2000. Both models and all years utilize a Tecumseh-manufactured engine with a

5 horsepower motor.
