With her book *Brains*, Becker has written a funny yet heartwarming story and has managed to turn a zombie into a hero. The book opens with college professor Jack Barnes and his wife fighting off a zombie horde attacking their house in a small Missouri town, and they're running out of luck.

May 18, 2010 · *Brains: A Zombie Memoir*. by. Robin Becker (Goodreads Author) 3.52 · Rating details · 2,227 ratings · 292 reviews. College-professor-cum-zombie Jack Barnes is a different breed of undead—he can think. In fact, he can even write. And the story he has to tell is a truly disturbing—yet strangely heartwarming—one.

Subtitled “A Zombie Memoir,” *Brains* looks at America’s favorite walking-dead flesh-eaters from an audaciously original and deliciously gruesome new perspective. Debut author Robin Becker blazes new ground with this story of former college professor-cum-sentient zombie Jack Barnes, who recounts the tale of the resistance he organized in the wake of the recent zombie apocalypse.
