Mar 17, 2010 · This is comprehensive guide on how cold reading is done, it's very interesting, but like being told how any magic trick is done, it's a little bit disappointing. If you want to buy it, google the Author and buy it directly from his website, it's half the price of Amazon. Due to it being a comprehensive guide, it's also a bit boring in places.

Cold reading is a technique employed by mentalists and charlatans (and by charlatan I refer to psychics,

mediums, fortune tellers or anyone that claims false abilities) that is used to give the illusion that the person has some form of super natural power. Cold reading is basically the ability to analyse a person's behaviour, speech and body ...
