International Journal Of Computer Mathematics | Citations: 1,507 | Read 144 articles with impact on ResearchGate, the professional network for scientists.

International Journal Of Computer Mathematics Impact Factor, IF, number of article, detailed information and journal factor. ISSN: 0020-

7160.

International Journal of Computer Discovered Mathematics. IJCDM is the first journal devoted to mathematics discovered by computers.

Editors-in-Chief: Sava Grozdev, Professor, DSc, Association for the Development of Education, Sofia, Bulgaria. Academician of Bulgarian Academy of Sciences and Arts.

Scope. International Journal Of Computer Mathematics: Computer Systems Theory is a world-leading journal publishing work of exceptional quality and novelty that concerns research and development in computer systems and the theory of computing. The Journal has an intentionally broad scope and welcomes original research articles and reviews that ...

International Journal Of Computer Mathematics This book presents state of the art research in theoretical computer science and related fields. In particular, the following areas are discussed: automata theory, formal languages and combinatorics of words, graph transformations, Petri ...

AMCS : International Journal of Applied Mathematics and Computer Science : PRESENT YOUR RESEARCH WITH US! Publish and read interdisciplinary research results in applications of mathematics to computer science and engineering.

IJCSM is a peer-reviewed international journal that publishes high quality original papers and comprehensive survey articles in all areas of computing science and mathematics, with interfaces to physics, engineering, chemistry, biology, statistics, economics and the social

sciences.

The International Journal of Mathematics and Computer Science (IJMCS) is a high-quality refereed quarterly journal (semiannual from 2009 to 2018-OPEN-ACCESS since 2012) which publishes original papers in the broad subjects of mathematics and computer science written in English.

Latest Article. IJMCR is an international journal which provides a platform to scientist and researchers all over the world for the dissemination of knowledge in computer science , mathematical sciences and related fields. Original research papers and review articles are invited for publication in the field of Computer science, Software ...

Feb 28, 2002 · Nelson H. F. Beebe (email mangled to prevent spamming) Center for Scientific Computing Department of Mathematics University of Utah Salt Lake City, UT 84112 USA
Abstract: This is an almost complete bibliography of the International Journal of Computer and Information Sciences (CODEN IJCIAH, 0091-7036) published by ...

International Journal of Computational Mathematics has ceased publication and is no longer accepting submissions. All previously published articles are available through the Table of Contents. The journal is archived in Portico and via the LOCKSS initiative, which provides permanent archiving for electronic scholarly journals.

Download Ebook International Journal Of Mathematics And Computer Applications Research online journal. The IJEMST is published quarterly in January, April, July and October. The IJEMST is a non-

profit journal and publication is completely free of charge.

International Journal of Mathematics and Computer Applications Research (IJMCAR) is a peer-reviewed, open access journal with HIGH IMPACT FACTOR (JCC), published by Trans global Journal Publications and Research Consultancy Private Limited (TJPRC). It publishes original research, applied, and educational articles in all areas of mathematics.

Journal of Mathematics and Computer Science (JMCS) Online: ISSN 2008-949X Journal of Mathematics and Computer Science-JMCS (J MATH COMPUT SCI-JM) is an international research journal devoted to the publication of significant articles in all areas and sub-areas of mathematics and computer science with applications.

International Journal of Computer Discovered Mathematics. IJCDM is the first journal devoted to mathematics discovered by computers. Editors-in-Chief: Sava Grozdev, Professor, DSc, Association for the Development of Education, Sofia, Bulgaria. Academician of Bulgarian Academy of Sciences and Arts.

Jan 02, 2021 · **International Journal Of Computer Mathematics.** ISSN 0020-7160 (Print); ISSN 1029-0265 (Online) Publisher: Taylor and Francis Ltd. 189 Issues are available.

Scope. **International Journal Of Computer Mathematics:** Computer Systems Theory is a world-leading journal publishing work of exceptional quality and novelty that concerns research and development in computer systems and the theory of computing. The Journal has an intentionally broad scope and welcomes original research articles and

reviews that ...

Journal of Mathematics and Computer Science (JMCS) Online: ISSN 2008-949X Journal of Mathematics and Computer Science-JMCS (J MATH COMPUT SCI-JM) is an international research journal devoted to the publication of significant articles in all areas and sub-areas of mathematics and computer science with applications.

Download Ebook International Journal Of Mathematics And Computer Applications Research online journal. The IJEMST is published quarterly in January, April, July and October. The IJEMST is a non-profit journal and publication is completely free of charge.

The Journal of Mathematics and Computer Science (JMCS) (Online: ISSN 2008-949x) is an international journal which provides very fast publication of original research papers in the fields of applied mathematics and computer sciences. Journal of Mathematics and Computer Science is a journal that aims to unite and stimulate mathematical research ...

Journal of Computer Science & Computational Mathematics (JCSCM)'s aim is publishing refereed, original research studies and articles that are well-written and describe the latest developments and researches in the computer science and computational mathematics area. The journal is broad-based that covers all branches of computer science, mathematics and interdisciplinary researches.

Home Browse by Title Periodicals **International Journal Of Computer Mathematics** Vol. 89, No. 17 A novel computer virus propagation model and its dynamics. article . A novel computer virus

propagation model and its dynamics. Share on. Authors: Lu-Xing Yang.

Jul 16, 2021 · Journal updates. An official publication of the International Society of the Learning Sciences, the International Journal of Computer-Supported Collaborative Learning (IJCSCL) fosters a deep understanding of the nature, theory, and practice of computer-supported collaborative learning (CSCL). The journal serves as a forum for experts from such ...

Mar 30, 2021 · International Journal of Discrete Mathematics. American Journal of Mathematical and Computer Modelling. Vol. 9, Issue 4, August 2021. ISSN Print: 2330-0043 Frequency: Bimonthly ISSN Online: 2330-006X ...

The aim of the journal is to provide an international forum for the dissemination of up-to-date information in the fields of the mathematics and computers, in particular (but not exclusively) as they apply to the dynamics of systems, their simulation and scientific computation in general.

International Journal Of Computer Mathematics Volume 91, Issue 11. Workshop on Intelligent Science and Intelligent Data Engineering 2012. November 2014. 140 pages. ISSN: 0020-7160. EISSN: 1029-0265. Issue's Table of Contents. Sponsors. In-Cooperation. Publisher.
