Oct 20, 2014 · Bridgett M. Davis' new novel, *Into the Go-Slow*, considers the uneasy stasis of a life mired in memory. Four years after the sudden death of her sister in Nigeria, Angie remains unable to move forward with either her grief or her life.

Davis (*Shifting Through Neutral*, 2005) explores the ambivalent, often troubling experiences of African-

Americans in Africa through the lens of a young woman who, having grown up during the civil rights upheavals of the 1960s and '70s, struggles to find her place in the world during the less idealistic '80s.

Davis' second novel, *Into The Go-Slow*, was selected as a best book of 2014 by Salon, The San Francisco Chronicle, BookRiot, Bustle and The Root, among others. Time Out New York named Davis one of "10 New York Authors to Read Right Now". *Into The Go-Slow* was praised by Nigerian writer Chris Abani as, "a beautiful allegory of love, family, expansion, hope and transformation".
