The following instructions must be followed by the students in their laboratory classes. 1. Students are expected to be punctual to the lab classes. If they are late, they will be considered absent for that particular session. 2. Students should strictly maintain the dress code (i.e.) they have to wear the white lab coat with black shoes. 3. Students must bring their observation note, record note (completed with ...

Physics 221 Laboratory Manual. This is the laboratory manual for the second course in the General Physics sequence. The course covers waves, electricity, and magnetism and is required of all students in science and engineering programs at Illinois Tech.
