This guide includes

Use the active voice whenever you can because it conveys more energy than the passive voice and results in more concise writing. Use the passive voice when you don't know who is taking the action (actor), when you don't want to name the actor, or when you want to emphasize the person or thing acted upon rather than the one

taking the action.

Active voice – the subject acts. Passive voice – the subject is acted upon. You will use a variety of tenses when writing a scientific paper. Please see our “ Verb tenses in a ...

Active voice means that a sentence has a subject that acts upon its verb. Passive voice means that a subject is a recipient of a verb's action. You may have learned that the passive voice is weak and incorrect, but it isn't that simple. When used correctly and in moderation, the passive voice is fine.
