Sep 01, 2009 · A literary
agent who knows the

playing field, Ms. Brooks is clearly passionate about the YA novel. She writes with years of expertise and combines her knowledge of craft with hands-on advice. If you write YA fiction or are even thinking about writing YA fiction, *Writing Great Books for Young*

Adults is a book you'll read and re-read. What a gem!

Aug 01, 2008 · Writing Great Books for Young Adults is a great introduction to the basics of novel writing. It walks you step by step through the process from finding your

story through landing an agent. Along the way, it includes small writing exercises and gives lots of practical advice.

Sep 01, 2009 · Writing
Great Books for Young
Adults gives writers the
advice they need to tap this

incredible market. Topics covered include: Listening to the voices of youth Meeting your young protagonist Developing a writing style Constructing plots Trying on points of view Agent Regina Brooks has developed award-winning authors across the

YA genre, including a
Coretta Scott King winner.

"Regina Brooks covers all the essentials of writing great books for young adults, such as plot, character, setting and dialogue. I found the explanation of the differences between plot ("a chain of events where each event has a cause") and

story ("the sequence of events as the reader imagines them to have taken place") particularly helpful, as this is an area which is not always well explained."
